

ANSOLAR SL SERIES SMALL PV SYSTEM (Our Intro to Your Solar World)

ANSOLAR SMALL PV SYSTEM SERIES

We offer a system design service for your individual project- from a garden office to the largest solar power plant. Alternatively, run some of your household lights from a solar PV + battery system.

Our **ANSOLAR Small PV System Series** come with prepackaged systems of: **3W, 5W, 10W, 20W, 30W, 40W, 50W, 60W, 80W, 100W and 120W.**

3W ANSOLAR SMALL PV SYSTEM

Kits include

- 1x3W solar panel.
- 1 long-life bulb 3w shed light
- 1 wall switch.
- 5m cable and all the connector you need
- root monnting and tall assembly instrutrcons.

5W ANSOLAR SMALL PV SYSTEM

Kits include

- 1x5W solar panel.
- 1 long-life bulb 5w saving bulb
- 1 wall switch.
- 5m cable and all the connector you need
- root monnting and tall assembly instrutrcons.

Works in all daylight conditions.

Solarland 1 lights an area of 16 sq metres for up to 7 hours per day when used in conjunction with a leisure battery - not supplied.

Set up lighting in places like garden sheds, garages, stables, summer houses, emergency lighting etc

10W ANSOLAR SMALL PV SYSTEM

Kits include

1x10W solar panel.
2x5w saving bulb
2xwall switch.
5m cable and all the connector you need
root monnting and tall assembly instrunctions.

Works in all daylight conditions.

Solarland 1 lights an area of 32 sq metres for up to 7 hours per day when used in conjunction with a leisure battery - not supplied.

Set up lighting in places like garden sheds, garages, stables, summer houses, emergency lighting etc.

20W ANSOLAR SMALL PV SYSTEM

Kits include

A complete kit containing everything needed to illuminate 2 x 8 watt fluorescent tubes (each equivalent to a 40watt bulb). Ideal for sheds, summer houses, workshops, beach huts, stables and many more applications.

20 watt solar panel plus

2 x 8 watt Fluorescent Lights
1 x 8A voltage regulator
1 x Fixing pack, including : 5m cable,
2 x battery connection clips, 6 x ring terminals, connector block, fuse, easy to install in- structions and free installation help line

Add a battery and you are ready to go.

30W ANSOLAR SMALL PV SYSTEM

Kits include

A complete kit containing everything needed to illuminate four x 8 watt fluorescent tubes (each equivalent to a 40watt bulb). Ideal for sheds, summer houses, workshops, beach huts, stables and many more applications. 30 watt solar panel plus

4 x 8 watt Fluorescent Lights
1 x 8A voltage regulator
1 x Fixing pack, including : 5m cable,
2 x battery connection clips, 6 x ring terminals, connector block, fuse, easy to install instructions and free installation help line.

Add a battery and you are ready to go.

40W ANSOLAR SMALL PV SYSTEM

Kits include

A complete kit containing everything needed to illuminate 6 x 8 watt fluorescent tubes (each equivalent to a 40watt bulb). Ideal for sheds, summer houses, workshops, beach huts, stables and many more applications.

40 watt solar panel plus

6 x 8 watt Fluorescent Lights
1 x 8A voltage regulator
1 x Fixing pack, including : 5m cable,
2 x battery connection clips, 6 x ring terminals, connector block, fuse, ,
easy to install instructions and free installation help line

Add a battery and you are ready to go.

50W ANSOLAR SMALL PV SYSTEM

Kits include

A complete kit containing everything needed to illuminate 6 x 8 watt fluorescent tubes (each equivalent to a 40watt bulb). Ideal for sheds, summer houses, workshops, beach huts, stables and many more applications.

50 watt solar panel plus

2 x 8 watt Fluorescent Lights
1x12watt TV
1 x 8A voltage regulator
1 x Fixing pack, including : 5m cable,
2 x battery connection clips, 6 x ring
terminals, connector block, fuse,
easy to install instructions and free
installation help line

Add a battery and you are ready to go.

60W ANSOLAR SMALL PV SYSTEM

Kits include

A complete kit containing everything needed to illuminate six x 8 watt fluorescent tubes (each equivalent to a 40watt bulb). 1x12watt TV .Ideal for sheds, summer houses, workshops, beach huts, stables and many more applications.

60 watt solar panel plus

6 x 8 watt Fluorescent Lights
1x12watt TV
1 x 8A voltage regulator
1 x Fixing pack, including : 5m cable,
2 x battery connection clips, 6 x ring
terminals, connector block, fuse, easy to
install instructions and free installation
help line.

Add a battery and you are ready to go.
